

## Product Feature

# Spend Optimization

### Skip the math. Or don't.

We automatically calculate the lowest price possible & help you analyze your potential spend. Or download all responses for your own analysis.

### Get crazy specific

Need to make sure lanes out of a facility are only awarded to carriers with Grade A service as long as they can handle team drivers? Easy for Emerge AI.

### Publish in one-click

Once you have your game plan in place, execute it all in once place by publishing awards.
